LOCAL RESTAURANT GROUP TO PROVIDE CASES OF WATER IN GREENVILLE, TENNESSEE
Local Arby's to Provide Water for Those Impacted by Hurricane Helene

WHAT: Today, Wednesday, October 3, the local Arby's in Greeneville, Tennessee, located at 519 Tusculum Boulevard, will be providing free cases of water to those impacted by Hurricane Helene. Beginning at 3:00pm, local Arby's employees will be on hand to provide the free water. Water will be limited to one case per car and will be provided until supplies last.

The water is being donated by the AES Restaurant Group, the owner of fifteen local Arby's restaurants. Arby's/AES partnered with Coca Cola to coordinate the donation of the semi-truckload of Dasani water. The donation was made possible through the generous help of Administrative Strategies, Strategy Forums and Aesgis Worldwide. Because of this generous partnership, AES Restaurants was able to secure an additional semi-truckload of water that will be delivered within the next week.

Those in need of water can visit the Greeneville Arby's location on Tusculum Boulevard this afternoon beginning at 3:00pm. Remember there is a limit of one case per car and will be distributed while supplies last. Please be patient and follow the direction of the Arby's employees to ensure that we can serve as many families as possible.
